

Tornado SWB 26/8 Walk-Behind Battery Sweeper

Powerful and Whisper Quiet

WEST CHICAGO, IL. January 2012 - Tornado's new SWB 26/8 Walk-Behind Battery Sweeper effortlessly cleans carpet and hard-surface floors. And its whisper quiet, making it perfect for Day Cleaning environments.

Sealed 24-volt batteries and a convenient onboard battery charger mean there is no concern about anyone tripping over power cords.

With a 26-inch cleaning path, the SWB 26/8 is at home in schools, hospitals, airports, theaters, office buildings you name it. Use it to remove all types of debris—even hard-to-pick-up items such as popcorn, packaging and clips.
