Product Brief

A True Crowd Pleaser

Tornado Industries professional battery-powered electric broom is a real (cleaning) crowd pleaser.

The EB 30/1 can be used on all floor surfaces, and at only 59 decibels, its ideal for Day Cleaning.

The super-flat EB 30/1 easily cleans beneath furniture, picking up loose dirt to within just two millimeters of its edges.

The telescopic handle adjusts to the operator's height, while a universal joint enables it to move in all directions.

The EB 30/1 has a 45-minute run time and comes with a standard charger or optional quick battery charger.

For more information, visit www.tornadovac.com, or call 800-VACUUMS.
