Pac-Vac 6 & Pac-Vac 10 Aircomfort
Backpack Vacuums
Customizable Fit, Comfortable Operation

- 5-point adjustable harness
- Lightweight units reduces operator fatigue
- Superior 69.5 dB rating for quiet operation
- Complete set of tools and adjustable double bend wand
- Four-Stage Filtration System including a HEPA filter cartridge
Tornado's Pac-Vac 6 and 10 Aircomfort Backpack Vacuums provide users with a fast and cost-effective alternative to traditional upright vacuums. Designed for performance, superior operator comfort, and increased productivity, these super-quiet units eliminate the need for multiple machines for different surfaces. Carpet, hard floors, upholstery, and above head cleaning become a breeze to clean, with productivity reaching 7,000 or more square feet per hour.

**COMFORTABLE** –
With the Vari-Quick system, users have the ability to adjust the unit to fit the exact length of their torso.

**HARNESS AIRFLOW** –
Mesh back panel allows constant air flow from 3 directions.

**ACCESORIES** –
Standard accessories are located on the belt for quick, hands-free convenient access.

**FOUR-STAGE FILTRATION** –
The filtration system includes a disposable filter bag, an intake filter and a HEPA filter cartridge.
